ZELIG FILMS ON SUMMER TOUR

After the break due to the pandemic, the festival activities have begun again, in their usual form and even in new mixed and alternative ones.

A few ZeLIG films will be part of the **official program of different festivals** which will take place in the next weeks: "Until we return (<https://film.zeligfilm.it/en/zelig/film/until-we-return>)" has been selected for the official program of the International Film Festival "Sicilambiente (<https://www.festivalsicilambiente.it/>)", which takes place in Sicily in August; "Rising of the Setting Sun (<https://film.zeligfilm.it/en/zelig/film/rising-of-the-setting-sun>)" will be part of the International Film Festival of Lessinia (<https://www.ffdl.it/>), in the Veneto

region, in Italy, which takes place at the end of August, and of the official program of the "Euganea Film Festival (<https://www.euganeafilmfestival.it/>)", taking place in Padua, Italy, in September; "Malacqua (<https://film.zeligfilm.it/en/zelig/film/malacqua>)" will be instead part of the "Working Title Film Festival (<https://www.workingtitlefilmfestival.it/>)", which is going fully online this year, at the beginning of October.
